

BRIDGING THE GAP BETWEEN INDIAN MANUFACTURERS AND AFRICAN USERS

**OFFERING END TO END SOLUTIONS
FOR PROCESS INDUSTRIES**

PGR INDUSTRIAL CONSULTANTS

WHAT WE DO

PGR Industrial Consultants offers wide range of electrical, instrumentation, automation & mechanical products to African industries.

We basically intend to bridge Indian manufactures and global customers. We export to customers across the African continent who has the requirement for Engineering products manufactured in India. Our technical know how of the product & having long term relation with manufacturers will help in offering better solutions to our customers.

We have established our company in the year 2014. We have supplied our products to various process industries based in Nigeria, Kenya, Zambia, Uganda, Ghana, Congo, Ethiopia, Togo, Mali, Guinea, Ivory Coast, Niger, Malawi, Senegal & Dem. Republic of Congo.

ESTD 2014

OUR PRODUCTS OFFERING

Electrical Products

- Low voltage switchgear & control equipment
 - Moulded Case Circuit Breaker (MCCB)
 - Air Circuit Breaker (ACB)
 - Switch Fuse Unit (SFU)
 - Earth-leakage Circuit Breaker (ELCB)
- Metering equipment
 - Ammeter, voltmeter multi function meter etc.,
- Motors
 - LT & HT motors
 - Squirrel cage & Slipring motors
 - Geared motors
 - Special motors
- Conventional & LED Lighting
- Transformers
 - Distribution & Power transformers
- NGR Panel
- LT & HT Capacitor bank
- 11 KV to 400 KV Switchyard equipment
 - Circuit breaker
 - CT & PT unit
 - Isolator
 - Lighting Arrestor
 - Insulator
 - Structures

- Batteries, UPS & Battery Charger

Instrumentation Products

- Pressure & Temperature Transmitter, Level sensor, Temperature Controller
- Pull cord switch, Zero Speed switch (ZSS), Belt Sway switch, Pull Cord Rope, Electronic ear
- RTD, Thermocouple, Level Switch, Various type of valves, Proximity switch, RI & AI converter
- LV and MV drives (VFD), PLC & HMI
- Potentiometer, Instrumentation cables etc.,

Mechanical Products & Tools

- Compressor, pump, Hydraulic cylinders
- Gearbox, coupling & related spares
- Material handling equipment such as conveyor belt, pulley, V Belt & related hardware
- Weigh feeder & it's spares
- All types of Industrial tools & hardware

Operational Spares

- Carbon brush, Brush holder, Transformer Oil, Varnish, Switchgear, VFD & PLC spares, Lugs, Glands, MS Pipes & Angles, Junction Box, Terminal Connectors, Hand Gloves, Sign Boards etc.,

INDUSTRIES WE SERVE

Cement

Mining

Sugar

Paper

Chemical

Oil Exploration & Refinery

Power Generation, Transmission & Distribution
